

Leaving a gift in your Will

A well-prepared, up-to-date Will is what you need to make sure your final wishes are known. Through your Will, you can ensure your family is taken care of financially, and make a significant impact on your community through your generosity.

WE'RE HERE TO HELP

Making a charitable gift through your Estate can result in significant tax savings. More importantly, it's a way to support the causes that are important to you.

The charitable bequest in your Will can provide a specific dollar amount, a percentage of your Estate, or a gift of the residue (which consists of whatever remains in your Estate after gifts to your loved ones and all expenses have been paid).

You can make a gift from your Will in several ways:

- Directly to the Oakville Community Foundation (The Foundation);
- to a specific Fund at The Foundation;
- or to establish your own Fund at The Foundation - two options available, speak with our Foundation staff to understand the options with each Fund size.

When you establish your own Fund at The Foundation, your donation is invested wisely, and the proceeds are directed to support your most important causes, according to your direction.
