

NEW METHOD - Oakville Community Foundation Event Registration

Dear Fundholders,

Our wonderful technology has some new tools including our own Event Registration system! That's right, no more Eventbrite registrations.

Starting with our 2020 Annual General Meeting, we will be using our Event Registration system to confirm attendance for all **our** programs. Please note, it's really important that we know who is coming, and we hope you find this new system easy to use!

We have put together this handy Tutorial to walk you through the steps, just in case you get stuck.
